Authorization for this examiner's amendment was given in a telephone interview with Sung Ho Hong on November 1, 2007.

2. The application has been amended as follows:

- *Please cancel claims 12-34 and 41-46.*
- *In line 1 of claim 40, after the word "A" and before the phrase "storage medium", please insert the phrase – computer-readable –.*

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

3. Claims 35-40 (renumbered claims 1-6) are allowed.
4. The following is an examiner's statement of reasons for allowance:

Regarding claims 35, 39, and 40, the primary reason for allowance is that the prior art fails to teach or reasonably suggest generating an additional image to be combined and displayed with an image of an object in a video image in accordance with an image sensing condition of the video image, transmitting first internet page data including the object image and additional image to a client, wherein the additional image is a link image which enables the client to start reception of second internet page data about the object from another network terminal which can provide information related to the object.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John M. Villecco whose telephone number is (571) 272-7319. The examiner can normally be reached on Monday-Friday.
